

## **Garbage Policies and Procedures**

- 1) Members are responsible for ensuring proper disposal of all unwanted items from their unit. Garbage, recycling and organics bins are provided for daily disposal. Larger items (furniture, appliances, etc.) may be disposed of in the junk removal bin which is brought on site semi-annually. Items must be held at the member's unit while awaiting the bin's arrival.
- 2) Unwanted items are not to be left in common areas.
- 3) Items left in common areas may be professionally removed with the expense charged to the responsible member.
- 4) All members are responsible for understanding local recycling and organics regulations and must comply with them.
